Geven Spa

sito web: <https://www.geven.com/>

Geven is an affirmed and established industrial reality throughout the aviation industry.

Our reliability, dedication and professionalism makes us an undisputed and renowned player in the circle of great leaders in the Aircraft Seating and Interiors manufacturing industry. It is our mission to continue our growth, increase and improve our technological and production capacity by constantly innovating and refining our engineering acumen and industrial process in order to maintain a leading position in the market.

Partecipiamo al Career day perchè:

To attract young talents whose academic background aligns with the profiles sought by Geven. It is an opportunity to build brand awareness, collect résumés, and establish direct relationships for internships or hiring. Specialized Recruitment: Direct search for engineering profiles, technicians, and skilled workers, which is essential for sectors such as the metalworking industry.

Employer Branding: Presenting the company to new generations, showcasing innovation and career opportunities in order to attract talent in a competitive market.

Rapid Selection: Meeting numerous candidates in a short time and conducting immediate introductory interviews.
